This book contains essays and articles that originate in an INTERNATIONAL HELLENIC ASSOCIATION series of lectures presented under the auspices of the International Hellenic Association in an online format through ZOOM during 2022.

The lectures were presented to commemorate the incalculable destruction of Asia Minor Hellenism whose millennia-old presence ended in 1922.

Dimitrios T. Karamitsos

A brief history of Greece 1941-1949

The present book is focused on the years 1941-1949 that were full of fights against invaders, the national resistance and the three rounds of a bloody civil war. This book was written mainly for the Greek diaspora but also, for anyone who interested in modern Greek history.
